5. How do you remove an item?
- a. Select the item that you want to remove.

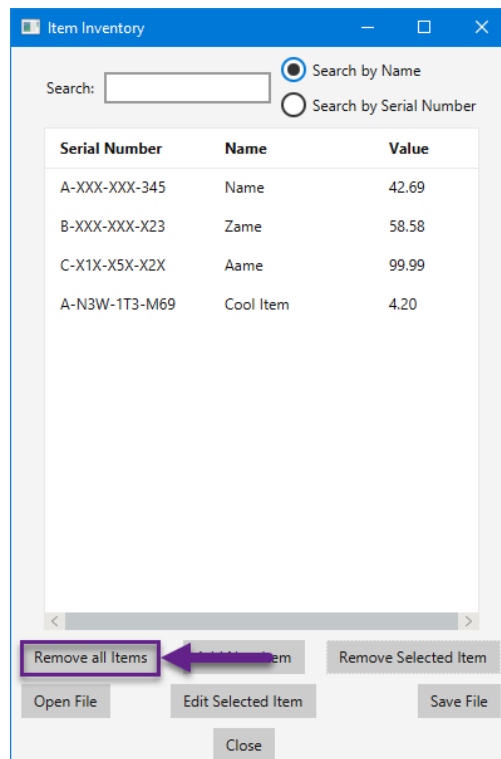

- b. Click the Remove Selected Item Button.

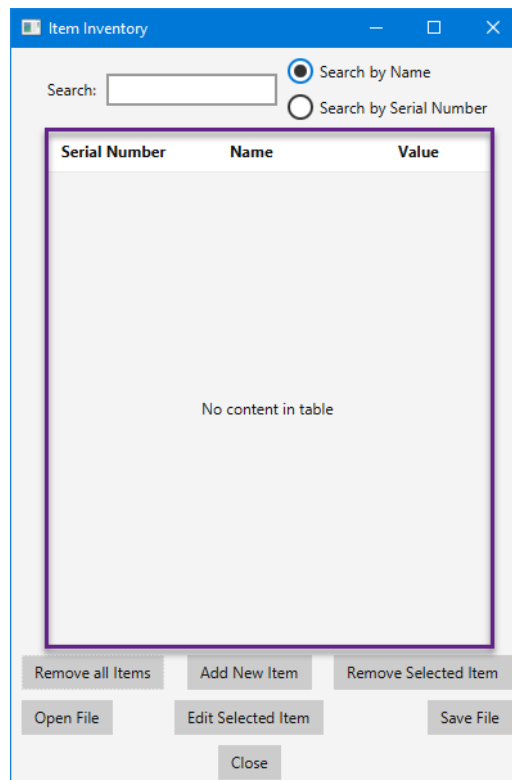

- c. Now you should see how the item has been removed from the list.

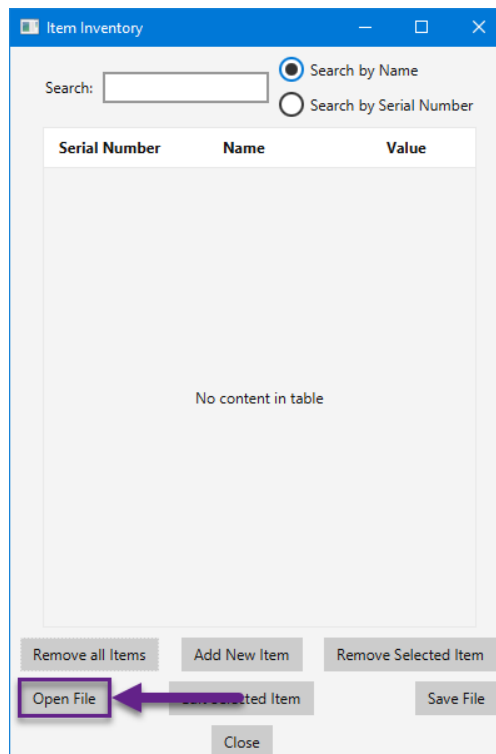

6. How to clear all items from the list?
- a. Simply click the Remove All Items button.

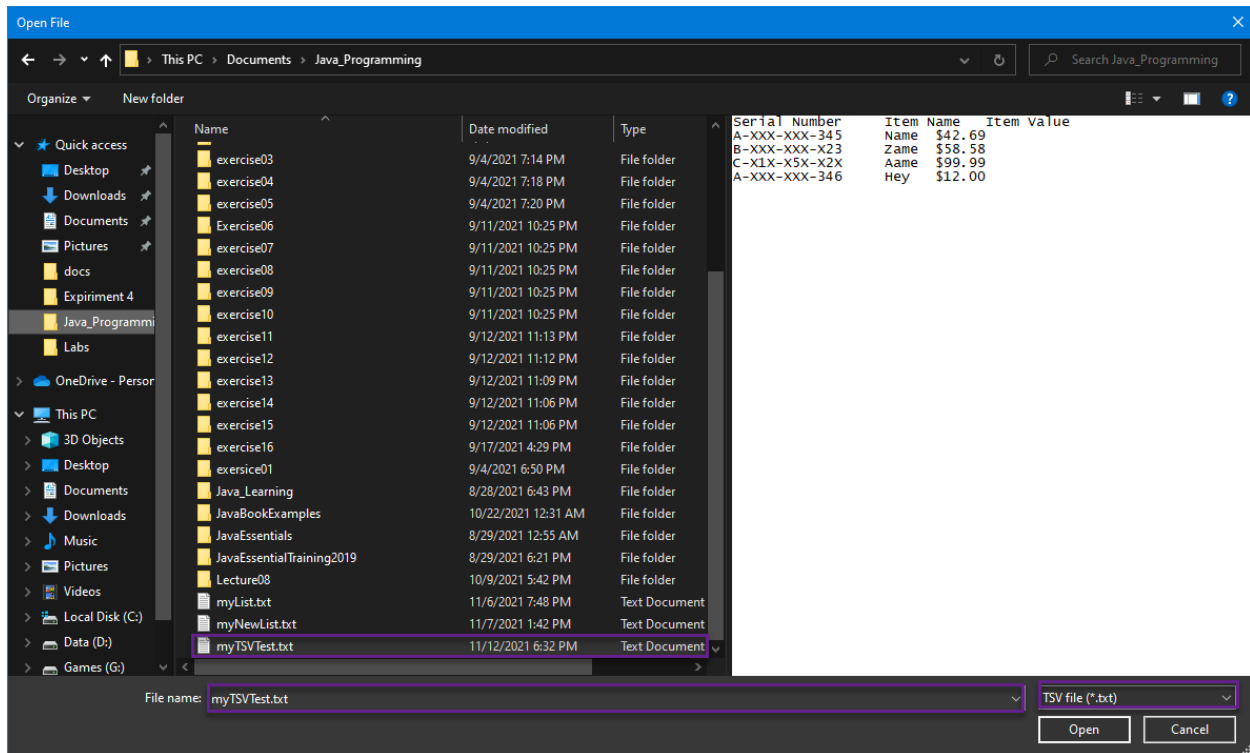

- b. Now you should see that the list is empty.

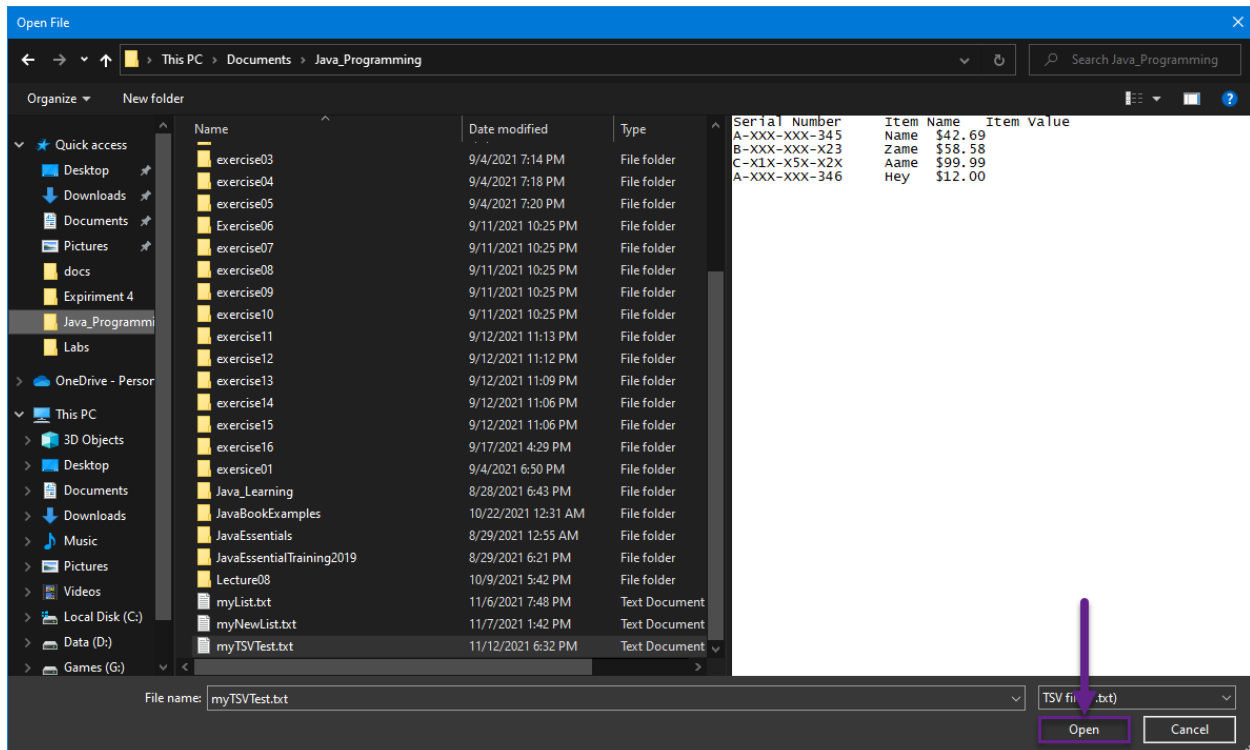

7. How do you import items from a file?
- a. Start by clicking the Open File button to show the open file dialog box.

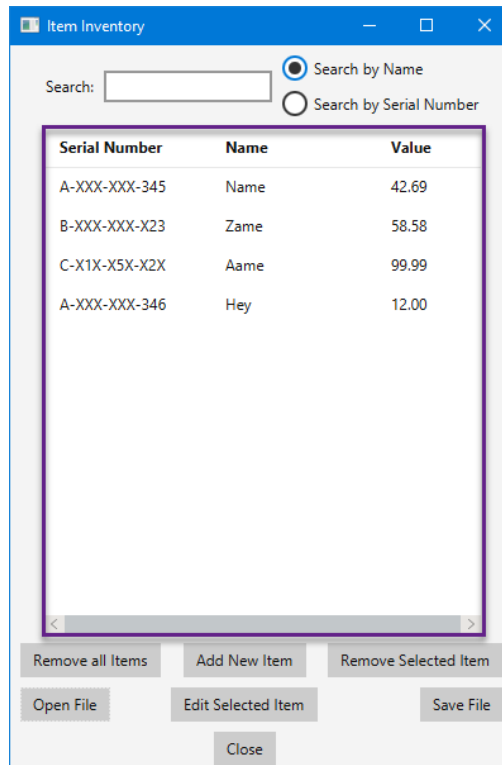

b. Now choose the file type and find the file you want to open. Below uses a TSV text file.

c. Click the Open button to open the file.

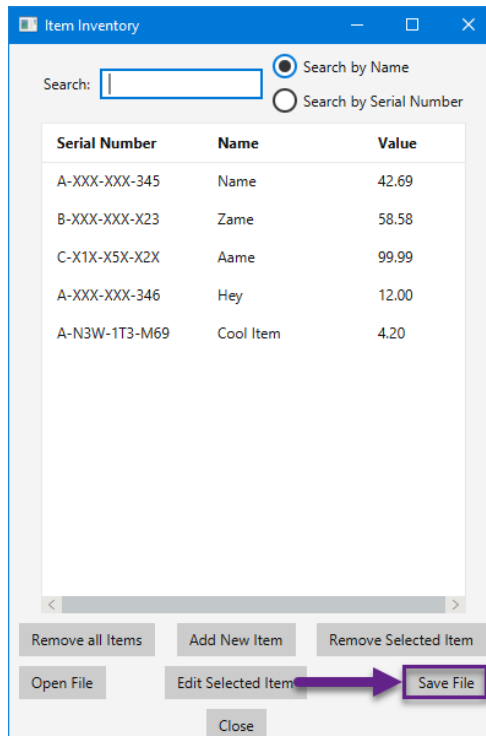

- d. Now you can see the items from the file populated in the Inventory list.

The screenshot shows the 'Item Inventory' application window. At the top, there is a search bar and two radio buttons: 'Search by Name' (selected) and 'Search by Serial Number'. Below the search bar is a table with three columns: 'Serial Number', 'Name', and 'Value'. The table contains four rows of data. Below the table, there are several buttons: 'Remove all Items', 'Add New Item', 'Remove Selected Item', 'Open File', 'Edit Selected Item', 'Save File', and 'Close'.

Serial Number	Name	Value
A-XXX-XXX-345	Name	42.69
B-XXX-XXX-X23	Zame	58.58
C-X1X-X5X-X2X	Aame	99.99
A-XXX-XXX-346	Hey	12.00

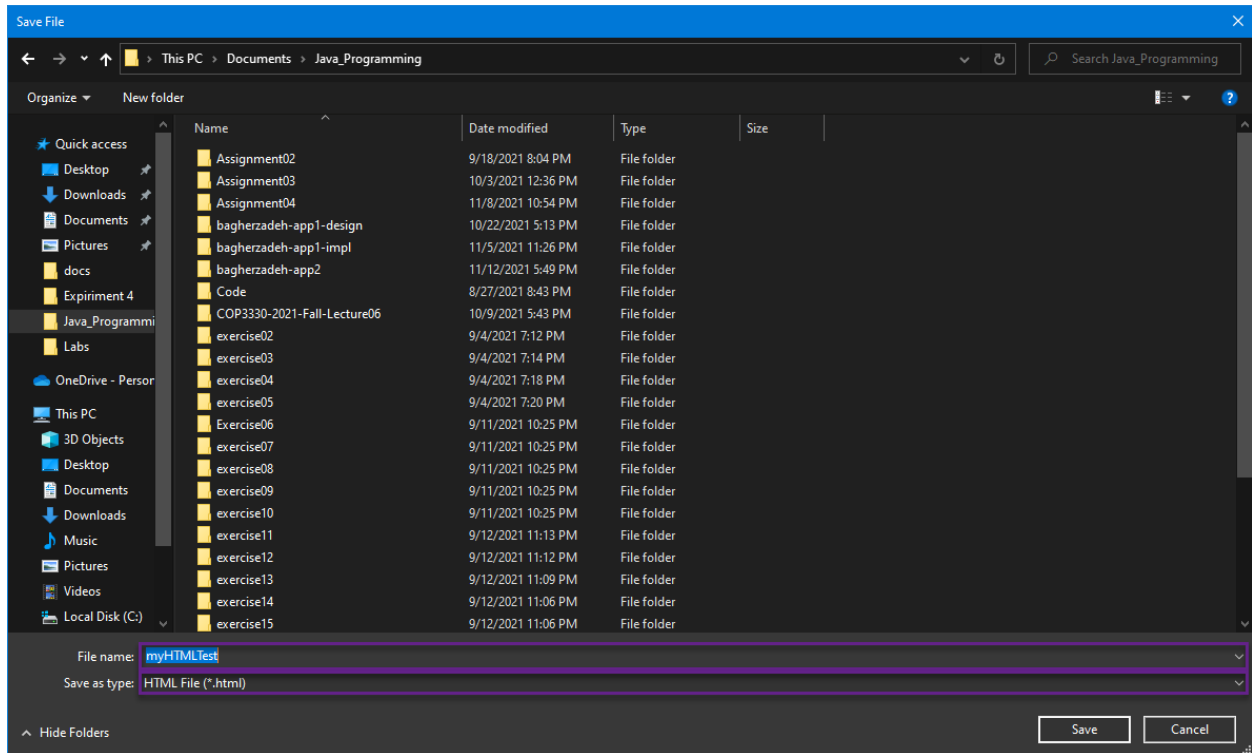

- e. You can repeat this process for other file types (HTML and JSON).
8. How do you save all items in the inventory list to a file?
- a. Start by clicking the Save File button to show the save file dialog box.

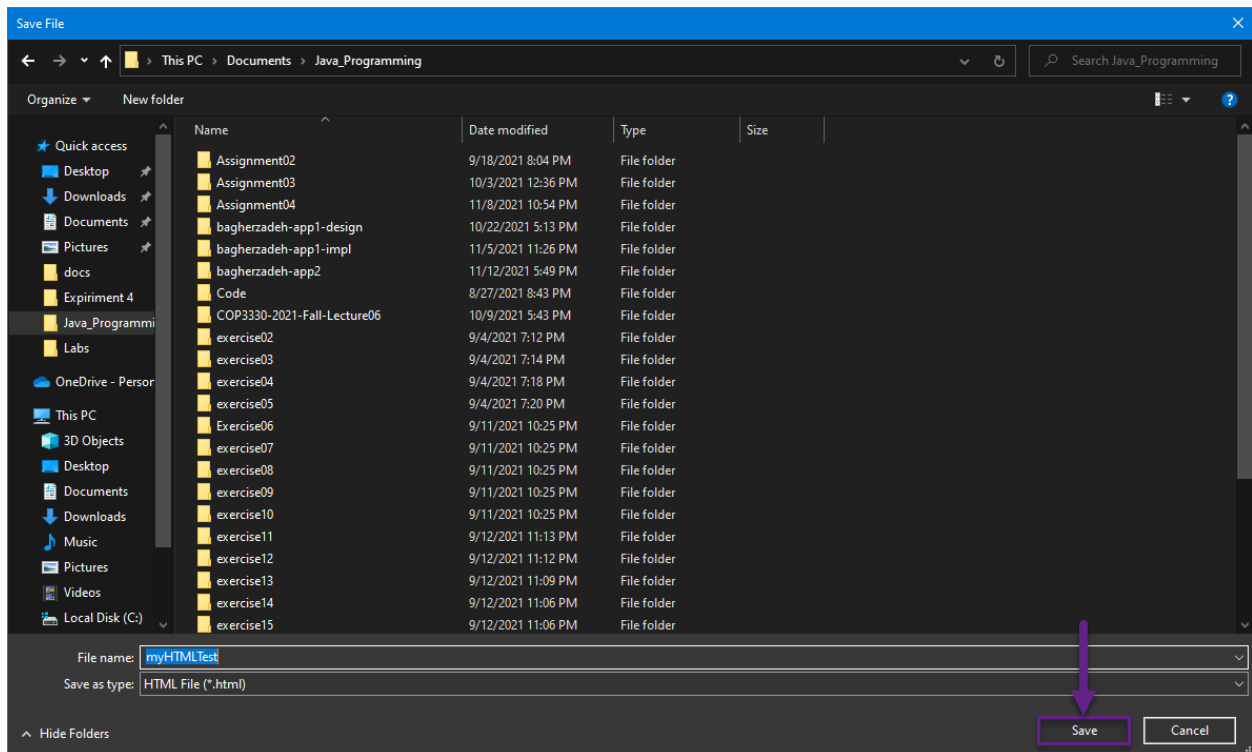

The screenshot shows the 'Item Inventory' application window. The search bar is empty. The table now contains five rows of data. The 'Save File' button is highlighted with a red box and a red arrow pointing to it from the 'Edit Selected Item' button.

Serial Number	Name	Value
A-XXX-XXX-345	Name	42.69
B-XXX-XXX-X23	Zame	58.58
C-X1X-X5X-X2X	Aame	99.99
A-XXX-XXX-346	Hey	12.00
A-N3W-1T3-M69	Cool Item	4.20

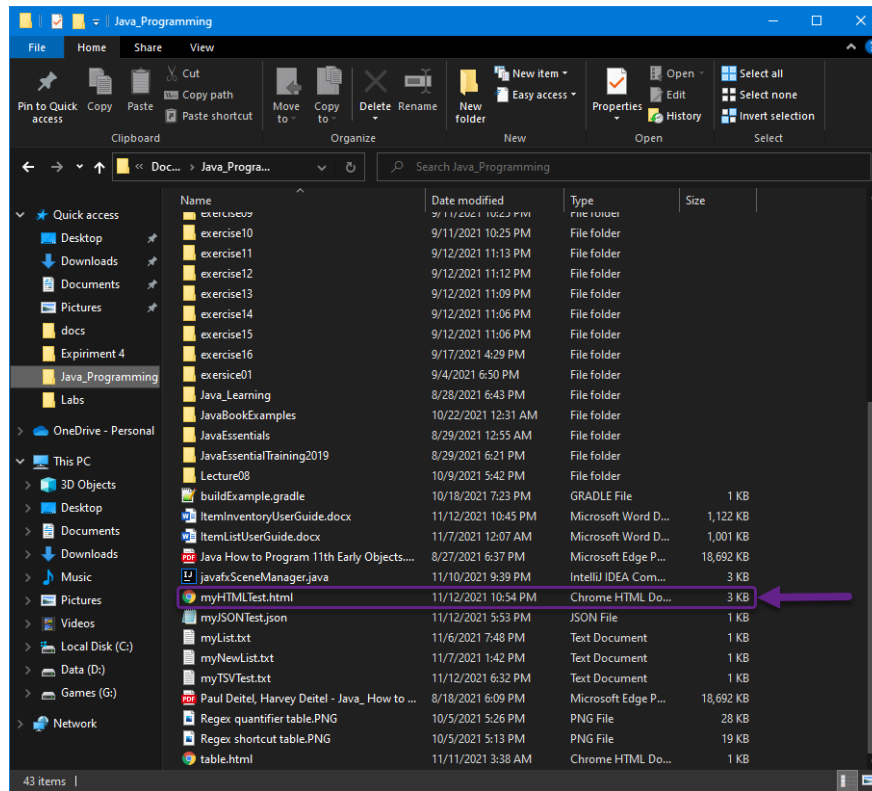

- b. Now choose the file type you want to save it as and type the name you want for the file.
Below selects an HTML file.

- c. Click the Save button to save the file.

d. Now you should see the file saved in the chosen directory.

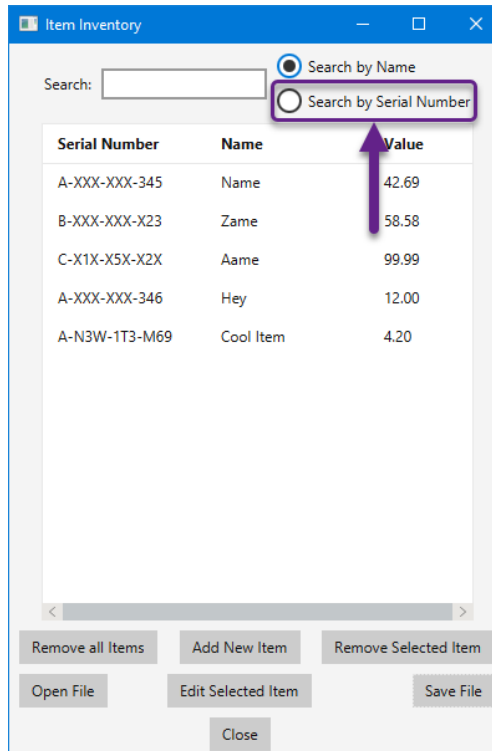

e. The HTML file that was saved is shown below.

Serial Number	Item Name	Item Value
A-XXX-XXX-345	Name	42.69
B-XXX-XXX-X23	Zame	58.58
C-X1X-X5X-X2X	Aame	99.99
A-XXX-XXX-346	Hey	12.00
A-N3W-1T3-M69	Cool Item	4.20

f. This process can be repeated to save as other file formats. (JSON, TSV)

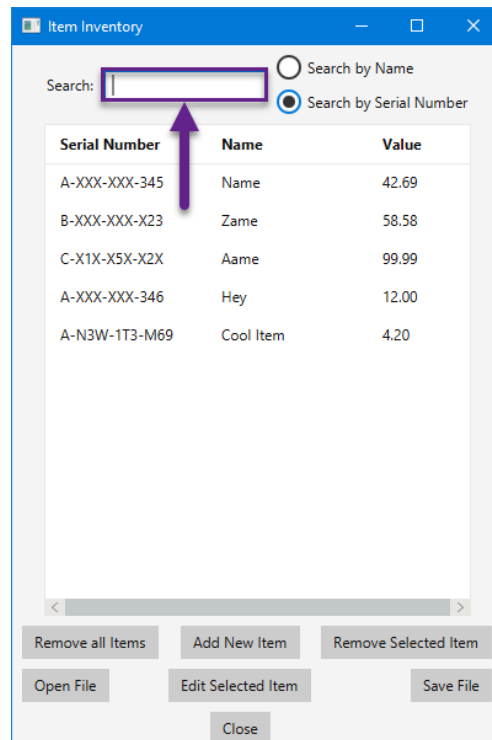

9. How do you search through the item list by Serial Number?
- a. First, Select the Search by Serial Number radio button.

The screenshot shows the 'Item Inventory' application window. At the top, there is a 'Search:' text box and two radio buttons: 'Search by Name' (selected) and 'Search by Serial Number' (unselected). A purple box highlights the 'Search by Serial Number' radio button, and a purple arrow points to it. Below the search controls is a table with three columns: 'Serial Number', 'Name', and 'Value'. The table contains five rows of data. At the bottom of the window are several buttons: 'Remove all Items', 'Add New Item', 'Remove Selected Item', 'Open File', 'Edit Selected Item', 'Save File', and 'Close'.

Serial Number	Name	Value
A-XXX-XXX-345	Name	42.69
B-XXX-XXX-X23	Zame	58.58
C-X1X-X5X-X2X	Aame	99.99
A-XXX-XXX-346	Hey	12.00
A-N3W-1T3-M69	Cool Item	4.20

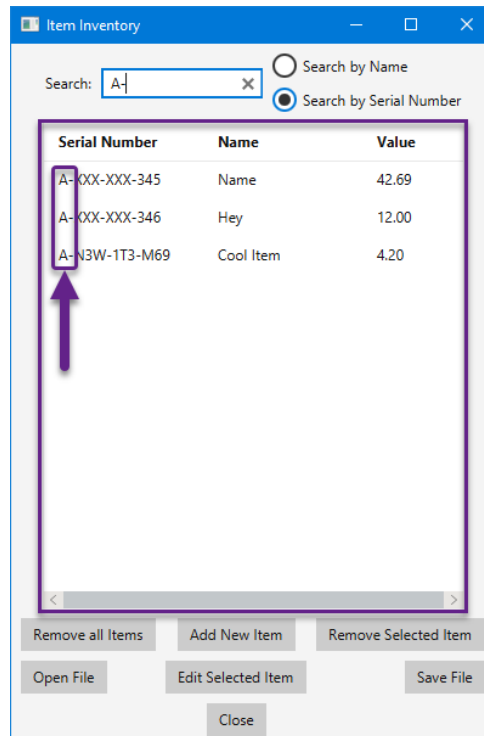

- b. Then start typing the serial number of the item you are looking for in the Text box next to the word "Search".

The screenshot shows the 'Item Inventory' application window. The 'Search by Serial Number' radio button is now selected, and the 'Search by Name' radio button is unselected. A purple box highlights the search text box, and a purple arrow points to it. The table and buttons at the bottom are the same as in the previous screenshot.

Serial Number	Name	Value
A-XXX-XXX-345	Name	42.69
B-XXX-XXX-X23	Zame	58.58
C-X1X-X5X-X2X	Aame	99.99
A-XXX-XXX-346	Hey	12.00
A-N3W-1T3-M69	Cool Item	4.20

- c. You should see the list adjust the items shown as you enter in the serial number.

- d. You can repeat this process to search for items by their name.
10. How do you close the application?
- a. Simply click the Close button of the X on the top right to close the application.
